

Get Library eBooks and eAudiobooks with the Overdrive App

Available on your tablet (iPad, Android, Kindle Fire, Nook Tablet, etc.),
phone (iPhone, Android, Windows), or iPod touch

- 1** Search for “OverDrive” in your device’s app store (Amazon, Android, Apple, Google Play, etc.). Download the free app. 
- 2** Open the OverDrive app. Tap “Sign up,” then “Sign up using library card” on the next screen. Type Pauline Haass in the search box (watch out for Auto Correct!) and tap “Go.” Tap on the result that says “Bridges Library System—Pauline Haass.”
- 3** You will now be prompted to sign in with your library card. Select the **Bridges Library System** from the list. Then enter your CAFE library card number and PIN/ password (for most cardholders, this is your date of birth in one of the following formats: MM/DD/YYYY or MMDDYYYY). Tap “Sign In.”
- 4** Tap “Add a title” **OR** tap the menu button  and choose “Wisconsin Public Library Consortium” to enter the Wisconsin Digital Library. You will do this (either option) each time you want to search the catalog, borrow and download titles, or view your account.
- 5** The Wisconsin Digital Library homepage will appear. Tap “Sign In” and select “Bridges Library System” once more, then re-enter your CAFÉ number and PIN. Tap to check the small box next to “Remember my card number on this device.” Then sign in.
- 6** You will be taken back to the Digital Library homepage where you can browse **featured collections (1)** by swiping down, **search (2)** by title, author, or keyword, view and download checkouts on the **Loans page (3)**, or open the **menu (4)** for account settings, collections and subjects to browse, and more.

Helpful Tips for Using the Overdrive App

- Go into your account settings by tapping the Menu button  and then “My account” and “Settings” to change your loan periods (7, 14, or 21 days for ebooks; 7 or 14 days for audiobooks), turn automatic checkout on/off, and more.
- Find “Available now” and “Most Popular” ebooks and audiobooks in “Collections” (under the Menu button  on most devices).
- Titles that are available can be checked out by tapping “Borrow.” Next, follow one of these steps, depending on how you want to read/listen:

To send a book to a Kindle:

Go to your Loans page. 

Scroll down to the title and tap “Choose a Format.”

Select “Kindle;” you will be routed to Amazon.

Tap/click “Get Library Book” to complete the checkout process.

To read (or listen) in the OverDrive app:

Go to your Loans page. 

Scroll down to the title and tap “Choose a Format.”

Select EPUB for ebooks (or MP3 for audiobooks); your title will begin downloading.

Tap the top left menu icon  and then “Bookshelf” to find your downloaded title.

To stream (read or listen without downloading):

Go to your Loans page. 

Scroll down to the title and tap “Read Now” or “Listen Now.”

Your title will open in your browser; you will need to be connected to WiFi or use data to read or listen.
