Your choice of embellishments (ink/glitter)

STEP 1

Stack three sheets of book pages together and trace the bird and wing template on top. Cut out the bird and wing shape.

Optional Embellishment:

- ◆ You can distress the pages— Rub an ink pad along the edges making them a bit darker.
- ◆ You can add glitter—Use a glue stick and sprinkled on some sparkle.

STEP 3

Stack the three bird cutouts together, adding a tiny dab of glue in between each to hold; do the same for the wings.

STEP 4

Curl the ends of the wings and tails by lightly rolling around a pencil.

STEP 5

To hang—Cut a piece of ribbon for the hanger. Secure to the back with glue and finish by pressing a piece of paper on top.
