

# Mini-Tree Paper Ornament

Original source: <http://www.thesweetestoccasion.com/2011/11/diy-christmas-tree-ornaments/>

## MATERIALS NEEDED:

10 sheets of paper  
Stapler

### STEP 1

Stack 10 sheets of paper and staple in the middle.

### STEP 2

Trace a tree template, or draw one freehand, on the top layer of paper. Cut out.

### STEP 3

Fold each page along the line of staples. Fan out to create the tree shape as pictured.

### STEP 4

Hang using an ornament hook or by stapling a piece of ribbon to the top.
