

Check your platform's store for availability and possible cost. Be aware some may have in-app purchases.

Busy Water Edoki Academy

A puzzle game that challenges kids to problem-solve and apply basic physics to get a fish safely through a maze of pipes.

DIY.org—Creative Challenges DIY

An educational app and learning community where kids can access a collection of project ideas and how-to videos.

Drawing Pad Murtha Designs Inc.

Create your own art using photo-realistic crayons, markers, paint brushes, colored pencils, stickers, roller pens and more!

Dropophone Haus K. K.

This app allows you to make songs that sound like drips and drops falling on a tiny orchestra of instruments.

Faces iMake Right Brain Creativity

Faces iMake is a tool for creating collages using pictures of every-day objects.

Fiete Cars Ahoooo

Fiete Cars lets kids build their own crazy racetracks to drive along. However, with ramps, balloons, portals, and much more, this is not your typical drive-along-the-road game.

GoldieBlox & the Movie Machine GoldieBlox

Inspires creativity and teaches kids how to animate with drawing tools, stamps, stickers and photos.

HangArt Literary Safari

A new interpretation of the classic game of HangMan, plus a story studio and the opportunity to illustrate the words yourself.

Inventioneers Filimundus AB

With the help of the Inventioneers, tiny helpers with unique characteristics, you can invent fun, creative and often quite weird inventions.

Mekorama Martin Magni

A puzzle game that takes kids from player to maker. Help a tiny robot make his way home.

Plum's Creatorizer PBS Kids

Go on a nature adventure with Plum's Creatorizer! Kids and families can build wild creatures, then head outdoors to photograph them right in their own backyard.

The Robot Factory Tinybop

Create any robot you can imagine from 100 parts. Run your robots through a fantastical world full of obstacles. Will they survive?

Silly Street Learn & Play Silly Street

The Silly Street Learn & Play App offers a huge variety of play challenges that encourage players to be creative, be dramatic, compete, build empathy, and laugh their faces off.

Stop Motion Studio Cateater

Stop Motion Studio helps you to create terrific stop action movies with a whole host of unique features.

Toontastic 3D Google

You can draw, animate, and narrate swashbuckling adventures, breaking news stories, science reports, and all your other wacky ideas.

The Three C's: Guidelines for Using Digital Technology with Young Children

To choose and use media wisely, consider the **CONTENT**, the **CONTEXT**, and the individual **CHILD**.

For more information on the 3 C's, scan the QR code or visit our website phplonline.org/kids/play-learn-online/
