

Explore Habitats

With Recommended Books & Apps
for Grades PreK & Up

Picture Books

River by Elisha Cooper (E COO)

Travel down the Hudson River by canoe, exploring the river's edge.

The Hike by Alison Farrell (E FAR)

Three young explorers set out on an adventure to explore their local forest.

My Forest is Green by Darren Lebeuf (E LEB)

A boy explores the forest with his art supplies in hand. The forest inspires him to create many types of art work. Use this book as a springboard to creating your own nature based art!

The Whale the Sea and the Stars by Adrian Macho (E MAC)

Gerda the blue whale travels from the equator to the freezing poles. When it's time to find a home, Gerda uses the stars to find the perfect sea for her to call home.

Bird Watch by Christie Matheson (E MAT)

A treasure hunt book takes you searching for hidden birds and practicing counting.

Forest by Kate Moss Gamblin (E MOS)

A *See to Learn Book*. Experience the forest through the seasons.

Down by the River by Andrew Weiner (E WEI)

Art learns to fish with his grandfather and mother.

Non-fiction

When the Stars Come Out by Nicola Edwards (J525.35 EDW)

Experience how different habitats come alive when the sun sets.

Beastly Biomes by Carly Allen-Fletcher (J577.8 ALL)
