

Get Library eBooks and eAudiobooks with the Libby App

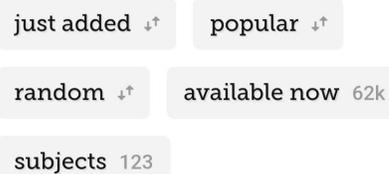

(Kindle Fire users will use the OverDrive app).

1 Search for “Libby” in your device’s app store (Android, Apple, Google Play, etc.). Download the free **Libby, by Overdrive** app.

2 Open the Libby app. The app will ask whether you have a library card. (If you tap “**Not Yet**” you will be told how to get a card.) If you tap “**Yes**”, the next screen will ask you to locate your library. Tap “**Yes, Guess My Library,**” and Libby will locate your library. If it finds your correct library (Pauline Haass Public Library) select “**Yes**”. If it doesn’t, tap back to the previous screen and tap “**No, I’ll search for a library**” and search for “Pauline Haass” in the search box (watch out for Auto Correct!) and tap “**Go**”. Select the result that says “**Bridges Library System—Pauline Haass**”.

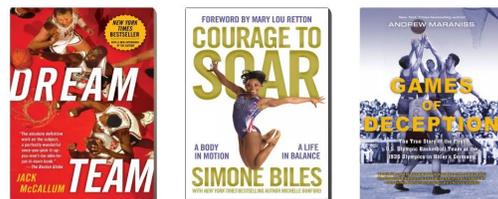

3 You’ll be asked to sign in to your Wisconsin Digital Library account. Tap “**Choose A Location**” to sign in. Select “**Bridges Library System**” from the list. Then enter your CAFE library card number and PIN/ password (for most users, the PIN will be your birthday written as *mmddyyyy*.) Tap “**Sign In.**”

4 **Search** for a specific title or author by tapping the magnifying glass icon or **browse** featured collections and popular genres by tapping the library icon.
